LIHWAP Payment Days Pop-Up Event

Dear Johannesburg/Randsburg Resident,

The Low-Income Household Water Assistance Program (LIHWAP) has granted Community Action Partnership of Kern County (CAPK) with funding to assist low-income households to pay for arrear and now non-arrear billing. CAPSBC is implementing a program called “LIHWAP Payment Days,” where the CAPK workers come to our water district to process payments for income eligible LIHWAP clients on the spot.
